

Policy for Secondary submittals to the Design Review Committee (DRC)

For landscaping and remodeling after construction of a home is complete.

If it is a landscaping change requiring grading, fill & cut, and/or the use of heavy equipment, a formal submittal drawing to scale on a plot plan with a security deposit of \$2,500 will be required.

If it is a remodel of a home, formal plans must be submitted to scale on a plot plan with a security deposit of \$5,000.

Color changes to the house will not require a deposit but must be submitted for approval.
